Dear Neil,

Thank you for the copies of the Colbert Landfill reports. We have borrowed and are duplicating a copy of the Landau Associates RD/RA Engineering Report (dated December, 1990) from the Spokane County Public Works Department. We will begin reviewing the reports for the Colbert Landfill Contaminate Area Committee during the next few weeks. If there is any other information that you think might be pertinent please let me know as soon as possible. Thank you for your assistance. I look forward to working with you again.

Very truly yours,
